WASHINGTON OFFICERS' FIELD INSPECTION SCHEDULE SEASON 1932

The following inspection schedule is subject to such modification as may be necessary to bring it within the limitations of our 1933 appropriation. It is impossible to predict when Congress will adjourn. Consequently it has not been possible to include the Forester's field schedule in this tabulation. He expects, however, to be in each of the western Regions some time during the 1932 field season. You will receive notice of his coming as far in advance as possible.
